A Family of Shake & Shingle Siding

The timeless appeal of wood is painstakingly recreated in Cedar Impressions' classic styles. Each is designed to capture the look of freshly sawn wood, the distinctive patterns of randomly sized boards, and a finely crafted finished appearance.

TrueTexture™

TrueTexture™ finish molded from real cedar shingles gives Cedar Impressions® the natural look of cedar shingle siding without the expense and heavy maintenance of wood.

Perfection Shingles: Distinctive Beauty

Cedar Impressions Perfection Shingles create the subtle, yet strikingly elegant, appearance of natural cedar. A style once reserved for the finest homes, the stately look of perfection shingles is one of exacting craftsmanship. Clean edges and smooth lines complement the quiet beauty of the natural wood textures. In a straight edge design, perfection shingles create a more refined look, while staggered edge perfection shingles add a more relaxed feeling to the traditional styling.

Rough-Split Shakes: Rustic Charm

Reminiscent of the days when cedar shakes were split by hand, Cedar Impressions Rough-Split Shakes dress a home in a rustic style that enhances a home's natural charm. The wood textures are deeper and more visible, drawing the eye with their intricate, ever-varying patterns and deep shadow lines. Staggered profiles have the authentic styling of fresh-cut wood, while straight edge designs capture a feeling of handcrafted workmanship.

Year after year,
CertainTeed Siding has been
Rated #1 in Brand Use
by remodelers, builders,
architects and consumers.

Elegance with an Edge

Classically styled homes carry with them an air of distinction, and a stately bearing, no matter what their size or location. Cedar Impressions Triple 5" Straight Edge Perfection Shingles enhance the look with the elegant, yet subtle appearance of finely crafted cedar shingles.

From curbside or poolside, a home sided with Triple 5" Straight Edge Perfection Shingles makes a statement. The styling is refined and formal, yet the authentic wood appearance creates a welcoming warmth. Deep shadow lines between individual shingles and a straight edge profile provide a clean design that is commanding in its simplicity, and perfectly suited to a modern estate or small-town single.

Timeless Style

Whether the view is of a rolling ocean, restful lake, or main street, the finest homes have traditionally been sided with cedar shingles. It's a time-honored style that offers textured beauty as well as outstanding durability. Cedar Impressions Double 7" Straight Edge Perfection Shingles offer aesthetic and performance qualities second to none.

Ideal for any style home, Cedar Impressions Double 7" Perfection Shingles straight edge design creates a beautiful, classic appearance found on the most distinctive homes. In addition to the exceptional looks, they resist the damaging effects of the weather, and yet require no heavy maintenance.

Perfect Harmony

Like the woods, meadows and hillsides that surround it, a home that rests in a natural setting should reflect that beauty. Cedar Impressions Double 7" Staggered Perfection Shingles create a look that is in perfect harmony.

Ideal for whole house or accent applications, Double 7" Staggered Perfection Shingles create a warm, friendly look that is at the same time ruggedly beautiful. The authentic cedar woodgrain provides the appearance of real wood, while the staggered pattern creates an impression of cedar shingles that have been hand-sawn and individually applied.

Personality Plus

If variety is the spice of life, Cedar Impressions Double 7" Straight Edge Rough-Split Shakes is the perfect siding to spice up a home's exterior design. With a texture as random and beautiful as real cedar shakes, this is a style that finds its appeal in a constantly changing diversity of woodgrain patterns.

Cedar Impressions Double 7" Straight Edge Rough-Split Shakes are equally at home on Victorian, contemporary or traditional home styles, in combination with stone and other materials, or as a whole house application. Its straight edge profile design offers a gentle counterpoint to the rugged, textural variety of the panel face, combining to create an exterior with real personality.

A Real Charmer or Ruggedly Charming

Cozy, comfortable and ruggedly charming. That's the calling card of Cedar Impressions Double 9" Staggered Rough-Split Shakes, a style so realistic you can almost smell the freshly sawn cedar. With deep, random woodgrain patterns, deep shadow lines, and a staggered edge on each shake, this is a style perfectly suited to homes where a custom crafted look is the design objective.

From a country cottage to a stately colonial, Cedar Impressions Double 9" Staggered Rough-Split Shakes bring out the best in traditional homes, while giving more contemporary home styles a warmth seldom found in modern design.

Vinyl Carpentry®

Around every corner, and from every angle, Vinyl Carpentry decorative trim offers a broad choice of accessories to accent a Cedar Impressions exterior design. Available in a wide assortment of contrasting and coordinating colors, these beautiful trim elements never need painting.

Restoration Millwork®

A home's trim says a lot about a craftsman's attention to quality and detail. Today's material of choice for craftsmen is CertainTeed Restoration Millwork. Like the finest top-grade lumber, Restoration Millwork cuts, mills, shapes and routs like wood. But since it's made from cellular PVC, it out-performs wood by far – with no worries about rotting, warping, moisture or insects.

All Cedar Impressions colors matched in Sherwin-Williams VinylSafe™ paint for use with Restoration Millwork®.

Perfection Shingles and Cornice Molding in ivy green with colonial white 3-1/2" Lineals.

Decorative Trim accents include Crown Molding, 3-1/2" Lineals and 5" Perfection Mitered Cornerposts.

Vinyl Carpentry 3/4" Cornerpost and J-channel in colonial white.

Siding: Double 7" Straight Edge Perfection Shingles in rustic blend.

The patented **PanelThermometer™** and temperature lines are designed to ensure precise installation.

Unsurpassed Engineering

Injection molded with durable polymer, these panels are thick and extra rigid. The innovative features combine for strong, consistent on-the-wall performance designed to withstand hurricane force winds.

Reinforced nail slots ensure secure installation.

Ribs on the back of the panels add structural stability for extra protection against warping, cupping and distortion.

Molded Perimeter Lock™ creates a seamless look and holds panels securely together.

Made of an extra-thick, injection molded, durable polymer.

NOTE: Colors throughout this brochure are simulated. Consult product samples before making final selection.
